Dear Friends of Oak Ridge Volleyball,

Please join us as we prepare for another exciting season of Lady Wildcat Volleyball! By supporting the 2021 ORHS Volleyball program, you will be helping these young ladies have a positive and rewarding experience while focusing on teamwork and learning life lessons, based on the foundation of volleyball. These building blocks enable our players to become more successful in the classroom, on the field, and in their future careers.

Immediately after the school year came to an end, the Oak Ridge Volleyball team began summer workouts in preparation for the 2021 volleyball season. With the help of your generous donations we can, to name a few, attend team camp and area tournaments, purchase new equipment, provide pre-game meals, and transportation to away games for our players. We invite you to come out and support our 2021 Lady Wildcats this fall!

As you know, in today's economy, it takes a great deal of time and money to organize and run a team. Monies are needed to cover transportation costs, referee fees, maintenance, team equipment, and tournament expenses. The estimated yearly cost for each player on the team is approximately \$1,000.00. Through various fundraising efforts, including coupon book sales, hosting middle school tournaments, and product sales, our players are able to offset a portion of this cost. However, in order to make up the difference, we are presenting businesses, family, and friends the opportunity to help our dreams turn into reality by becoming a team sponsor!

Please take a moment to review and select the sponsor package that best fits your business and budget. If possible, please send in your logo/messages for the advertisement by August 15 to be included in the program and or shirt and donation by August 31, 2021 so we can prepare for the remaining volleyball season.

Thank you in advance for your generous support of the 2021 Lady Wildcats and we look forward to seeing you at the games!

With sincere appreciation,

Angie Luby, President
